Dear Ms. Karlson:

This letter and the enclosed 2010 Annual Report are submitted by the Alaska Department of Transportation and Public Facilities (DOT&PF) in accordance with Paragraph 9.c of the Clean Water Act Consent Decree. The reporting period is from September 21, 2010 to December 31, 2010.

The 2010 Annual Report is contained in the enclosed electronic files:

- Statewide Introduction and Summary
- Northern Region 2010 Annual Report
- Central Region 2010 Annual Report
- Southeast Region 2010 Annual Report
- Statewide Public Facilities 2010 Annual Report

The Department has three Regions (Northern, Central and Southeast) and a Statewide Public Facilities Section that separately maintain records for Active Projects within their jurisdiction. Therefore, the 2010 Annual Report is arranged to provide required information by these four functional units, with the exception of the two requirements regarding the current Alaska Certified Erosion and Sediment Control Lead (AK-CESCL) Course and Department-sponsored AK-CESCL trainings, which will be addressed in the statewide section of the Annual Report as these items are authorized at a statewide level.

If you have questions regarding this submittal, please contact Kris Benson at 907-465-6326 or kris.benson@alaska.gov.

Sincerely,

Marc Luiken
Commissioner
